Sir:

It is noted that the official filing receipt for the above-identified application lists filing date of the parent application (U.S. Patent Application No. 09/861,203) as May 16, 2001, instead of May 18, 2001.

Correction of the filing date was requested by the Applicants twice in U.S. Patent Application No. 09/861,203 (copies enclosed); however, the USPTO did not correct the error and the application has now issued as U.S. Patent No. 6,471,919, listing the filing date as May 16, 2001. The Applicants believe that the correct filing date of U.S. Patent Application No. 09/861,203 is May 18, 2001.
